

Silica Exclusion

SILICA EXCLUSION

Underwriters shall not be liable to indemnify the Insured for any Claim, cost, loss and or expenses of whatsoever nature or indirectly caused by or resulting from or in any way involving the actual, alleged or threatened presence of or exposure to “silica” in any form or to harmful substances emanating from “silica”.

For the purposes of this Clause, “silica” means the mineral silicon dioxide, and any type or form of it including, but not limited to, silica-containing products, goods, fibres or materials, silica dust, fine particulate dust or siliceous or silica materials, any gases, vapours, scents or by-products produced or released by silica, silica dust or silica-containing products, goods, fibres or materials.
